Six Teams In Action

Keith Fisher President Junior Hockey Association

Keith Fisher was elected president of the Vulcan and District Junior Hockey Association for the 1963-64 season at a meeting of this sports group held Sunday, Jan. 19, in the Legion Hall. Vice-president is Morley Scobie and Gordon Brown was appointed secretary-treasurer. Harold Fox was 1963 president but has since moved to Lethbridge.

The executive committee was dispensed with and a board of directors only, was elected. They are: Rev. D. A. Sharpe, Rev. V. Cowell, R. Johnson, H. Stoddard, R. Gerding, R. Moore, H. Boutland.

It was reported that the two local service clubs, the Lions and Kinsmen, and the Elks Lodge are prepared to assist the association financially, within reason, in its requirements.

Making up the association this year are five teams, with a girls' team in the organization stage. Ray Moore coaches the 15 years and over team; Harry Stoddard, Bob Johnson, Rev. Cowell, R. Gerding, Rev. Sharpe, and Vernon Jordan all have a hand coaching three six-to-12-year clubs and Harold Boutland is working with the girls' team of 12-16 year category.

To tie in locally with Hockey Week in Canada, Jan. 25-Feb. 1, a full day of hockey, seven games in all, is being planned at the arena. Originally it was planned for Feb. 1, but in order not to conflict with the Boy Scout Gymkhana at Champion on that day, a change was made to Feb. 8. Teams in all age groups, including a girls' club, will compete starting at 10:00 a.m. and going through to the final game at 8:15 p.m. A complete schedule of events will be published next week.

Ray Moore's 15-and-over Flyers came within one goal of a tie last Sunday at Vulcan when they were defeated 8-7 by Blackie in an exhibition game.

Marksmen for Vulcan were Pawluk with three goals, Decker with two and singles from McNiven and Doug Smith.

Vulcan lineup: Gordon Coombes, Gordon Decker, Dave Uily, Steve Leback, Richard McNiven, Doug Smith, Gordon Chandler, Lawrence Schumaker, Roman Pawluk, Dennis Sparks, Jim Connolly, Gary Schuler and Doug Scott.

Vulcan Bantams, under coaching of Harry Stoddard, last Sunday played at Champion and went

Services Held At Calgary For R. H. McCartney

A well known former Vulcan resident, Dr. Robert Hunter McCartney died at Calgary General Hospital on January 15, 1964, following a lengthy illness. He was 76 years of age.

Born at Glasgow, Scotland, he came to Canada in 1927 and resided at Banff, Pincher Creek and Vulcan before moving, in 1933, to Calgary where he was associated with the T. Eaton Co. as a chiropractor until retiring in 1951. He was a member of First Baptist Church and a 2-year Monarch of the Calgary Downtown Lions Club.

He is survived by two daughters, Mrs. Gordon (Margaret) Clayton, Vulcan, and Mrs. Oskar (Sadie) Friesen, Edmonton; two sons, Robert (Bert) McCartney and William (Bill) McCartney, both of Calgary; nine grandchildren and four great-grandchildren. He was predeceased by his wife, Rebecca, in October, 1954.

Rev. Dr. Howard Bentall and Rev. Dr. Archibald Gordon officiated at services held at Leyden's Chapel of Remembrance on Saturday, Jan. 18, and interment was in the family plot, Queen's Park Cemetery.

Plan Series Of Courses In First Aid

First aid courses sponsored by the Vulcan Council of St. John's Ambulance will start with an organizational meeting on Wednesday evening, Feb. 5, at 7:30 p.m. at the Vulcan County Civil Defense headquarters building. At that meeting men, women or mixed, junior, senior and advanced classes will be arranged if there are sufficient registrations.

Classes will be arranged for afternoon or evening to suit each class as well as deciding the day of the week in each case. It is possible that a class may hold training sessions twice a week if desired. Those wishing to enrol are asked to contact Miss Margaret Lock, District Health Nurse, Mrs. Mable Rea, J. Lundy Findlay or Bob Johnston, Fire Chief, so that sufficient books and bandages will be on hand when classes start. Junior classes are for those under 15 years of age.

There is a \$5.00 registration fee which include book and bandage for senior and advanced classes and \$2.00 for Junior classes. The instructors receive no remuneration.

Photo Recalls Days of Early Vulcan Band

The above reproduction of a postcard photo of the old Vulcan Band at the Calgary Stampede was found recently by Charles Otte- well while rummaging through house drawers. Charles does not know what year this was taken but was able to identify the majorette in front. She was Marian Lebeau, daughter of Tom Lebeau who is also suspected to be in the photo. Miss Lebeau is now Mrs. Gil Williams whose husband is a bank manager at Vancouver. From

Bruce Roe and Orlo Doane a few more probable members were named. Judging from the style of clothing of parade onlookers the photo would be of the '20's and nearest the camera in the front row playing the circular bass is Art Moffat, now of Lethbridge. At the other end of the row, also playing bass is Pete Dorch, while brothers John and Henry Dorch play trombone and saxophone. Another trombonist is Fred Symington and the man playing the cir-

cular mellophone might be Larry Dawson. Another trombonist was Orlo Doane's father, Dewey Doane and near the back is likely to be Sep Washburn, flutist with the band. Mr. Washburn just passed away last week. Bass drummer at the back was Horace Harback.

Who knows, the day may come when history may repeat itself with the appearance of the present day band along the same 7th Avenue in another Stampede parade.

Former District Resident Dies At High River

An oldtimer of the Vulcan district and more recently of Okotoks, Mrs. Margaret White, passed away Jan. 11, 1964, at the High River Hospital, at the age of 77 years, after an illness of several months.

Margaret Garnet Kahl was born at Webster City, Iowa, Jan. 1, 1887. A graduate of Ellsworth College, Iowa, she taught school in Iowa, Colorado and South Dakota.

In 1914 she married Robert White of Vulcan, Alberta and came as a bride to his homestead, north of Vulcan. In 1941 she moved to Okotoks where she has resided since.

She is survived by two sisters, Mrs. Clarence Stone (Olive) and Miss Bertha Kahl, both of Iowa; two brothers, David Kahl in Minnesota, and Charles Kahl in California; two daughters Miss Jean White of Okotoks and Mrs. Robert Nelson (Joyce) of Herrington. She was predeceased by her husband in 1944 and by a daughter, Mrs. Pete Makortoff (Jewell) six weeks ago. Seven grandchildren also survive.

Town Council Meets

Emergency Phones Needed When Dial System Begins

The matter of manning emergency telephones when the new dial system comes into operation was discussed at the regular Town of Vulcan council meeting held Monday, Jan. 13. The town has applied for three emergency telephones, but realizes that the odd occasion will arise when none of the three is manned. To take care of this contingency, a fourth

emergency phone will be applied for. This fourth phone would be activated by a switch when none of the three regular emergency phones are manned and would be installed at the hospital if the hospital board so agrees.

Rural Fire Calls
Council decided that the Town would not bill the Vulcan Rural Fire Protection Co-op for firemen's wages in respect to rural calls made in 1963. Councillors were of the opinion that having the rural pumper available for use at town fires was an advantageous factor that offset the costs to the town of wages for firemen answering rural calls.

Easement Payments
Council instructed the town solicitor to make available by Jan. 31 the necessary data so that water line easement payments could be made to the farmers concerned without further delay.

Charitable Grants
Council approved the following charitable grants for 1964:

C.N.I.B. \$25, St. John Ambulance \$10, Salvation Army \$25, Canadian Red Cross \$15, Scout & Guide Association \$25, Lions Swimming Pool \$250, Chamber of Commerce \$125.

Other Business
● Appointed Councillors Banks and Ness to attend the Conference of Foundations for Homes for the Aged, representing the Marquis Foundation.

● Approved a request that the County of Vulcan be allowed two members on the Board of the Marquis Foundation.

Following a request that the Legion plot at the cemetery be increased in size, advised that space for 18 additional graves was available and could be included in the Legion plot.

Approved the reduction in size of the Vulcan Ambulance Board from six to four members and appointed Mayor Morrison and Councillor Richardson as the town's representatives on the board.

Approved the sale of Lot 19, Block 1 (25-ft. lot next to Gareau's Iron Works) to George Gareau for the sum of \$750.

Set the date of Monday, March 9, at 7:00 p.m. for the holding of the Court of Revision.

Appointed Councillor Stan Scales as deputy-mayor for the months of February, March and April.

FUA Convention Report Given At Arrowwood

A comprehensive report of the FUA provincial convention, held in Calgary, was given at the last meeting of the Arrowwood Local by delegates Mrs. Leigh Williams, Mrs. Robert Hill, Mr. and Mrs. Milt Ward and Mr. and Mrs. Forest House. Other Arrowwood delegates at the convention were Albert Thorsen and Walter Steiner.

The convention was one of the largest and best held for many years, with delegates and visitors from all parts of the province in steady attendance.

Retiring FUA president Ed Nelson stressed the need for unity in the farm movement in his presidential address. Mrs. C. R. Braithwaite, FWUA president for the past five years, reviewed the work done by farm women in the fields of social welfare, education, laws pertaining to women and, alongside the FUA, in the affairs of agriculture.

FUA Junior president Jerald Hutchinson told of the progress being made in Junior FUA work and at Gold Eye Camp. The Junior organization has once again donated \$500 towards the Banff Leadership Course.

Speakers at the FUA convention included Hon. Harry Strom, provincial minister of agriculture; A. P. Gleave, president of the National Farmers Union; J. M. Bentley, president of the Canadian Federation of Agriculture; Hon. Harry Hays, federal minister of agriculture, and others. Speakers at the FWUA convention included Hon. J. D. Ross, provincial minister of health, who spoke on nursing homes in Alberta.

New officers for 1964 are Paul Babey, Beaverdam, FUA president; Anders Anderson, Medicine Hat, FUA vice-president; Mrs. Russell Johnson, FWUA president; Mrs. Hall and Mrs. James, vice-presidents.

REMINISCENCES OF 1963

It is now one year since I wrote my first article for the newspaper. January 1964 seemed a long time off-then, but looking back now, it has passed quickly. I have enjoyed meeting so many of you, exploring this beautiful area and experiencing new situations.

To summarize my activities for the year — here's where the time went: Demonstrations, lectures, field days, short courses — 135, attendance 3,639; Publications distributed, other than Department of Agriculture — 4,528; Incoming letters — 219; letters written — 364; office interviews — 139; phone calls — 382; home visits — 114.

I was welcomed by Mrs. S. J. Lewis, Mrs. Wm. Yorgason and Mrs. Art Nelson and together we planned the Claresholm Management Series. Mrs. Boyd McKay of Vulcan and Mrs. M. Magnusson gathered together groups in their respective communities to plan the February Short Courses. I also met the 4-H leaders, Mrs. M. Baird of the Whispering Pines Clothing Club at Twin Butte, Mrs. R. Cyr of the Windy Poplars Club at Pincher Creek and Mrs. O. Lange of the Claresholm Food Club. In all, a wonderful welcome to this area.

In February and March, our busiest months, there were short courses, home and farm management groups. There were sewing clinics at Kirkcaldy, Granum and Champion arranged by Mrs. Stan Comstock, Kirkcaldy W.L., Mrs. Bob Duce, Granum and Mrs. E. Krasman of Champion. Mrs. D. Weiss of the Readymade Club of Del Bonita made arrangements for a clinic there. Thanks you for your kind support and hospitality. Oh, yes there was also the TV short course on Home Management in March. There will be a similar series this year from Jan. 6-10. Watch the mail for further details.

April and May in sunny weather I was across the Porcupine Hills to visit the Livingstone Ladies' Club at the home of Mrs. Mary-Jo Burles north of Cowley. Then thru another different and very pretty section to Glenwood and Hill-spring. There I visited the Relief Societies. These months were also busy one for the 4-H Clubs. There was a large Rally in Lethbridge — and public speaking — congratulations to Nadine Lange of Claresholm and Dianne Schmidt of Twin Butte, who placed high in this area. Then the highlight of the 4-H year, Achievement Day at which Lynne Storey of Whispering Pines, Marie Stenson of Windy Poplars and Nadine Lange of Claresholm were named efficiency winners.

The "lazy hazy days" of summer brought with them the fairs, the 4-H camps and redecorating plans. I visited with the Reg Armstrong family of Parkland, Mrs. Julius Lange of Cardston, the Jon Eaton family of Claresholm and many others. And with the blessing of Gordon Neale, editor of Claresholm Local Press, judged babies at the Claresholm Fair and Frontier Day.

In the fall sparked by initiative of Mrs. Lewis, Mrs. Yorgason and Mrs. Nelson, Homemakers Guild was formed in Claresholm. This group co-ordinated all aspects of a homemaking program. Beginning in January it will include home design, landscaping, ceramics, basketry and sewing. Many thanks to all who have helped put this organization onto its feet. Perhaps other areas would be interested in a similar organization. The Hon. H. Strom announced that the George Dudley family of Magrath had become a "Master Farm Family" for 1963. Congratulations, it was a pleasure to meet you.

There were sewing clinics, this time at Meadow Creek, arranged by Mrs. J. Eaton and at Twin Butte arranged by Mrs. F. Marr and Mrs. W. Bonertz. The 4-H Clubs re-organized all with new leaders. Mrs. H. Jack leads the Foothills Food Club at Pincher Creek, Mrs. W. Bonertz, the Whispering Pines Club, Mrs. H. Bruns the Windy Poplars and Mrs. S. McAlpine the Claresholm Food Club.

And now I look forward to 1964. What does it hold in store? Thank you all for your co-operation and support. Best wishes for a happy and prosperous 1964.

COUNTY CENTRAL HIGH SCHOOL HI-LITES

On the Students' World program last Sunday, the team representing the County Central High School won over the students from High River High School. A score of 44 points out of a possible of 50 tied our team for second place with one from the city of Calgary. The team consisting of Edna Sanderson of Champion, Sam Burger of Arrowwood, and Clarence Graff of Vulcan, coached by social studies teacher, Mr. Cartwright, is to be congratulated on its success. The same team returns for its second round in the near future, and we feel certain that it will be every bit as successful.

Several of our staff members are involved presently in school room visitations as part of the inservice training program sponsored by the County School system.

Preparations are being made for the parent-teacher interviews to be conducted on February 10. Notification of appointment times will be sent to all parents.

Social studies is a very comprehensive subject. It embodies history, geography, economics, and sociology. We feel that a considerable knowledge of social studies is important to every person in all walks of life. It helps one develop a truer picture of the future based on knowledge of past ages and present trends. Without it, the significance of world problems and tensions is incomprehensible.

Many teaching aids are employed by the teacher to assist in the task of making social studies meaningful and worthwhile. One aid is the opaque projector, which shows a page from a text on a large screen. Thus, the student learns by seeing and hearing. Film strips and motion picture films assist greatly in the study of some topics. Many charts and maps are used extensively to bring important information to the attention of students.

The CCHS Students' Union has donated fifty dollars to the County Band Association. This amount is one-half of the silver collection received at the Carol Festival, Dec. 17, 1963. The other half will be used to meet Glee Club expenses.

The Glee Club is preparing for the County Choral Festival, scheduled for early spring.

This is the week in which interested students will be filing applications for technical and nursing schools.

BAND NEWS

(By Lloyd Jones)

A few weeks ago we made an appeal, through our news column, to the ladies of the community, encouraging them to join the band. Mrs. Marcella Steiner and Mrs. Eileen Haga are the first two ladies to join our ranks. We know of several more who are very interested, and no doubt by next week, will have made their decision.

We suggest, ladies, that this is a most opportune time to start, while there is a group of you beginning together.

Word has now been received from the Salvation Army Band at Calgary, confirming the arrangements for a concert on Sunday afternoon, Feb. 16. They will be playing for an inter-denominational church service that same evening. There will be a special guest speaker from the Salvation Army for the evening service. There will be a silver collection for the afternoon concert which will be used to cover travelling expenses of the band.

The offering taken at the evening service will be given to the Salvation Army for their needy work.

Next Monday evening, Jan. 27, will be the first annual meeting of the Vulcan County Band Association. This will be held in the Elementary school in Vulcan at 8:00 p.m. If you have an interest in this work, even if it is only as an interested lover of good music, please attend this important meeting. Election of officers will be held. Immediately after the meeting at 9:00 p.m., the senior band will rehearse for one hour. We invite you especially next week to come out and see what your band association is doing.

The band joins with a host of friends in the community to extend our sympathy to Harry Washburn and family in the death recently of his father.

400 'Cut The Mustard' At Hoedown

Country dances come and country dances go, but you wake up the morning . . . or afternoon following a rabble-rouser like the one staged out at Arrowwood by the local Gymkhana boys and girls last Friday night, and you know you've been through the grand-daddy of them all!

George Ward, president of the sponsoring Arrowwood Gymkhana Association and presumably the wheel behind this dance, took off for a trip into the States a week earlier, ostensibly on a cattle research jaunt. However there's those who say he left 'cause he's not up to another of these stompers so early after the last one, a year ago!

Not that the boys get rowdy or inclined to tangle — indeed, the only person carried out was an innocent paying customer who, around 11:30, slipped his head open when he slipped on the waxed floor and caromed off the ledge which surrounds the dance area. Actually what gets people is that they pace themselves wrong for one of these. They go devil-for-leather 'till 1:00 or 1:30 when most dances fold up but this one's just catching second wind. The Thurber orchestra, now an institution at this annual session, keep pumping away 'till 2:30 a.m. before they hit the home waltz and the folks below are gonna get their moneys' worth so they hang on.

Then somebody suggests a slaughter of bacon and eggs and that corner of the hall often winds up at his house with their own napkin. Along about the third helping the thought strikes that a busy schedule is lined up for Saturday and things start to look different. It's a good thing these dances are not held in June. Perfectly respectable adults don't look right pulling into their driveways an hour after the sun has hit the horizon.

The night in retrospect provides an unusual problem for the gymkhana gang. They've almost got to count on the weather to be just right to regulate their crowds. In past years -15 degree temperatures, strong winds and eight inches of drifting snow have resulted in crowds just able to fit in the hall. This year it was well above zero, no wind, no snow and the stag line alone took up more than a third of the floor.

These dances are real family affairs, at least, one would expect that parents were around belonging to the dozen or two young tads on hand. It was the same, almost, as in other days when the children were taken along visiting neighbors or to a social or dance but

EASTWAY

Mr. and Mrs. Ed Lepp had Sunday guests from Coaldale when her sister and her husband, Mr. and Mrs. Epp visited them.

Weekend visitors at the Andy Knive home included Mr. and Mrs. Sid Flanders, Jimmy and Cindy and Miss Kathleen Knive.

Orie Doane continued his studies at the Olds Agricultural College at the first of the year.

Calgary visitors this week included Mrs. Johnston and Sievert and Mel Burgess.

The sympathy of the district is extended to the Washburn families in their recent bereavement.

Weekend visitors at the R. N. Hill home included Mr. and Mrs. J. Hill of High River and Miss Joyce Hill.

ARROWWOOD

The FWUA and FUA held a joint meeting on Wednesday, Jan. 15, starting off with a Pot Luck dinner at noon. Milt Ward, Forest House, Myrtle Ward, Margaret House, Dorothy Hill and Myrtle Williams gave reports on the annual convention. Everyone was agreed that the conventions seem better and it was noticeable in the number of younger people taking part. The women decided to cater to the dinner for the Alberta Wheat Pool on Feb. 27. There was also a bake table from which \$14.35 was made. The sum of \$7.35 was given to the Sunshine fund and \$7.00 to the general account.

The Lions Club held their regular meeting on Thursday night. The Lions Club were co-sponsors with the Booster Club again this year in awarding prizes for the best decorated homes at Christmas. Those winning the prizes were: Town—1st, Bert Setters and 2nd, Beauford Culp; Country—1st, Buck Cockwills and 2nd, Chester Arney. It was also decided to have a bingo in March.

Buck Cockwill, Bob Hill, Lorne King, Leigh Williams and Bob Seeley attended the Lions visitation meeting at Mossleigh last Tuesday night.

The district was saddened to learn that the daughter of Mr. and Mrs. Dick Newman (nee Hazel DeWitt) had to have her eye, that was injured before Christmas, removed. A speedy recovery is wished her.

Mr. and Mrs. Mervin Sheets from Nanton visited at the home of Mr. and Mrs. Arnold Pöbst on Sunday.

back there, when heads began to nod, kids were stacked in, a spare room or in a corner 'till home time. Not so with this gang. From seven years and up, they started twisting with the first fox-trot and at 2:30 they were still at it. And there was no sitting out dances. They didn't need partners.

About the only one who didn't show up at first was George Roberts, who farms about five miles from Arrowwood, but he arrived later. He held the winning ticket, number 421, on the Emor built saddle which was door prize. He had just drifted off to sleep when his phone rang and Bob

Bertschy got the message to him. And so the Arrowwood affair has been put away, but guess what's coming. That's right . . . the Lake McGregor Gymkhana Club is planning something similar following their annual banquet around the middle of next month. Think young! Be young!

Members of the Southern Alberta Council of Riding Clubs and Associations are pictured above as they attended the Arrowwood Gymkhana dance Friday night. From left to right they are: Bus-

ter Elliott, Simon Valley Riding and Roping Club; Jim Salmons, Cluny Gymkhana Club; Archie Hay, president of Arrowwood Gymkhana Assoc. and Art Marks, Lake McGregor Gymkhana Club.

Also in the photo is saddle made by Emor's of High River, and a less odorous substitute for the mule which was on stage at the dance a few years ago.

Double Ring Ceremony At Lomond

On Saturday, Nov. 30, at 5 p.m. the Bethany Lutheran Church at Lomond was the scene of a very

pretty candle-light wedding when Donna Marie, eldest daughter of Mr. and Mrs. Leonard Huff, was united in marriage with Gary Lee Beagle, the eldest son of Mr. and Mrs. Raymond Beagle of Armada.

Pastor Wayne Berg read the marriage rites for the double ring ceremony.

The bride entered the candle-lit church on the arm of her father to the strains of the wedding march, played by Miss Marilyn Magnuson. She wore a floor length gown of silk organza over satin featuring a chantilly lace bodice, Sabrina neckline and lily point sleeves. The full skirt and train was enhanced with panels of appliqued lace which, like the bodice, was re-embroidered with iridescent sequins and pearls. Her chapel veil of nylon edged with wide chantilly lace, fell from a tiara of sequins and pearls. She carried a white satin covered Bible from which cascaded a bouquet of Talemans roses.

The matron of honor was Mrs. Marvin Huff, sister-in-law of the bride, while her bridesmaids were her cousin, Miss Marjorie Scott of Red Deer and friend, Miss Ruth Caulfield of Calgary. They wore identical street-length gowns of gold peau-de-soie with matching gold head pieces, white gloves and shoes and carried white nosegay bouquets which were sprayed with gold.

Miss Gail Huff, sister of the bride, as flower girl wore a matching gold peau-de-soie dress and hair bow, white shoes and gloves and carried a basket of white and gold flowers. Ring bearer was Jackie Beagle, brother of the groom, who carried the rings on a gold cushion. Donald Beagle, brother of the groom, acted as best man, and guests were ushered to pews marked with Lily of the Valley by Bill Sealock and Charles Stokes.

Pastor A. Granburg of Forest Lawn, Calgary, as soloist sang the

"Wedding Prayer" during the ceremony and at the signing of the register rendered "Lord Who At Cana's Wedding Feast".

The bride's mother chose a two-piece green lace dress with brown accessories, while the groom's mother wore a two piece brown sculptured brocade dress. Both wore corsages of white roses.

The wedding reception for 143 guests was held in the Lomond Community Centre dining room, which was decorated with white and gold streamers and lily of the valley. The bride's table was centred with a three-tiered wedding cake beautifully decorated by Mrs. Leonard Benson. Two bouquets of white and gold flowers centered the gift tables directly behind the bride and groom.

Master of Ceremonies, Hirst Goldthorpe very ably conducted a program during the reception. Don Beagle proposed a toast to his brother and new sister-in-law. He said Gary had always been a very enthusiastic big game hunter but that this was by far the best game he had ever brought home. Toast to the bride was proposed by Marvin Liebreich and was very fittingly responded to by the groom. Bill Sealock proposed the toast to the bridesmaids which was responded to by Mrs. Marvin Huff, the Matron of honor. Terry Teasdale, accompanied by her sister Lorretta, sang "With This Ring", and Mrs. Cliff Stannard of Red Deer gave a reading depicting the life of the bride. To bring the program to a close Alec Fraser and his four-some, namely Marilyn Frost, Sherry Huff, Keith Goldthorpe and Gordon Fraser rendered, "How are you going to keep her out on the Base", their own composition.

For going away the bride chose a caramel sculptured brocade ensemble with beige accessories and wore a corsage of Talemans roses. The couple will reside in Clinton, Ont. where the groom is stationed with the RCAF.

Out of town guests at the wedding were from Red Deer, Mirror, Calgary Hussar, High River, Arrowwood, Brooks, Carstairs and Herronton.

"With gas you get service — no doubt about it"

"Any time I have had dealings with the Gas Company they have certainly made every effort to provide satisfactory service."

When you are the only Gas Company serving the residential customers in a community, the responsibility to give good service is great. Canadian Western is very conscious of its responsibilities to give good service and extend service to new communities where it is economically practical.

We must also plan ahead so there will be plenty of natural gas for the future — and in all this, carefully control costs so we can continue to provide Alberta gas consumers — large and small, with the best possible gas service at the lowest possible cost.

Mossleigh Bride At Calgary Wedding

A late fall wedding of interest to Langdon and Mossleigh was solemnized at Bethel Baptist Church, Calgary at 3:00 p.m. on Saturday, November 16, when Marion Jean, only daughter of Mrs. Robert Beacom and the late Robert Beacom of Mossleigh was united in marriage with Stanley Bruce Winters, youngest son of Mrs. Grace Winters and the late George Winters of Langdon. Rev. W. J. Laing officiated at the ceremony. Irwin Hertzprung presided at the organ.

To the accompaniment of the wedding march, the bride entered the church on the arm of her eldest brother, Kenneth. The bride was charming in a gown of net over satin with lace bodice and lace panel at front, and lily point sleeves. The chapel length veil was held in place by a crown coronet. She carried a bouquet of talliesman roses interwoven by matching braided ribbon. The matron, Mrs. Ralph Lindley, wore a street length dress of gold brocade, matching head piece and carried a bronze mums bouquet. The bridesmaid, Miss Nina Cirankewitch, wore a street length dress of coffee brocade, matching headpiece and carried a bronze mums bouquet. Dave Hamilton was the best man and ushers were Gerald Shortt and Robert Beacom, brother of the bride.

During the ceremony, Rev. Cyril

Hutchinson, principal of Berean Bible College, sang "A Wedding Prayer".

The bride's mother wore a marine blue dress of matlasse accented by a pink hat, pink gloves and corsage of pink carnations. The groom's mother wore a beige chiffon dress, green brocade hat, green gloves and shoes and gold mums corsage.

After the ceremony a reception was held in the basement of the church. Richard Bittle proposed the toast to the bride to which the groom suitably responded. A musical selection and greetings were given by Mrs. Kenneth Geake, Canary Islands by means of tape. Other items on the program was a reading by Miss Hannah Bjerkseth and a duet by Rev. and Mrs. A. D. Cornell.

The bride chose as her going away outfit a cranberry boucle suit accented by white hat and gloves, black purse and shoes and white carnation corsage. After a brief trip to Vancouver the couple are residing in Calgary.

Out of town guests were from Red Deer, Langdon, Strathmore, Mossleigh, Arrowwood and Carstairs.

KING — CROSBY

Christmas motifs were the setting at Knox United Church, Edmonton, Dec. 27, for the double ring ceremony for Joan Evelyn Crosby, only daughter of Mr. and Mrs. George Crosby of Edmonton, to Flying Officer, Wayne Douglass King, second son of Mr. and Mrs. J. Martin King of Calgary. Dr. Arthur R. Clegg officiated.

The bride chose to wear for her nuptials a full length gown of white peau-de-fraille satin, fashioned with controlled skirt and separate jacket with lily point sleeves. The gown was enhanced with medallions of guipre lace and featured a full-length detachable train. Her chapel veil flowed from a coronet fashioned of a single fabric rose. She carried a bouquet of stephanotis and sweetheart roses and wore the single strand of pearls, gift of the groom.

The three attendants were gowned in Christmas red silk velvet, fashioned along the lines of the bride's gown. They wore white marabou pill-box hats and carried bouquets of white button mums and holly. Miss Carol Munro was bridesmaid while Mrs. Paul Kittle and Mrs. Russel K. Crosby were the matrons of honor.

The bride and her father entered the church to the strains of Lohengrin's wedding march played by Mrs. Jack Edmonds. George

Ravenscroft sang the "Lord's Prayer".

The groom was supported by his brother John King of Grande Prairie. The ushers were Russel K. Crosby and Luorio King.

A reception of a full course dinner for over 100 guests was held in the banquet room of the Corona Hotel, where Russel K. Crosby was Master of Ceremonies. Frank G. McCoy gave the toast to the bride and John King responded to the groom's toast to the attendants of the bride.

The bride left on her wedding

trip attired in a suit of aqua blue-garment Davis, Stewart Douglass, Mr. hand woven wool, set off by accessories of deeper blue and corsage of sweetheart roses.

The bride's mother chose for the occasion, a suit of midnight blue double knit Italian wool, topped with a fur stole. She wore a corsage of red roses, while the groom's mother was attired in a dress ensemble of aqua wool. Her corsage matched that of the bride's mother.

Out of town guests attending were: H. R. McNaught and Judy, of Colonsay, Sask.; Mr. and Mrs. Barry Kirk of Saskatoon, Sask.; Mrs. Irvine Brathen, Unity, Sask.; Mr. and Mrs. Percy Currie, Radisson, Sask.; Mr. and Mrs. Walter Parker and Mr. and Mrs. Robert Parker of Dewberry, Alta.; Mr. and Mrs. Ernest Lind, Miss Mar-

"Good! I'll send you my cheque today!"

Most people today pay for goods or services by cheque—because most people have a bank account. It's the simple, safe way to transfer money to any person at any time.

The next cheque you put in the mail, or cash at any branch of a chartered bank, will be one of one billion that pass through the banking system each year. These familiar slips of paper represent 90 per cent of all financial payments made today, and their fast, efficient handling by the chartered banks is essen-

tial to bank customers, indeed to the whole economy of the nation.

To handle the ever-increasing flow of cheques—and to maintain standards of efficiency in the clearings—the chartered banks have introduced magnetic ink encoding to be used in high-speed electronic sorting. This new method, called MICR, makes possible a faster, more accurate service to customers, and maintains your chequing account as one of the cheapest, most convenient basic banking services.
